

Why C100?

Louisiana is a great place to live and work and our business leadership is interested in furthering the business and economic development of our state.

- The go-to organization for business engagement in public policy.
- Provides access to some of the critical thinkers in business and academia in Louisiana.
- An organization to which government, policy, and media leaders turn for reliable, nonpartisan policy guidance.
- A catalyst for community action and an advocate for economic development.
- A respected business voice on state issues impacting business and economic development

Who We Are

The Committee of 100 for Economic Development, Inc. (C100) serves as Louisiana's Business Roundtable. C100 is a private non-profit organization whose membership includes the top CEOs of leading private and public companies in Louisiana and University presidents of Louisiana's institutions of higher learning.

C100 was created in 1992 to provide leadership and resources to bring about positive change in government, education and the economy by promoting good government policy issues to improve the quality of life for all the people of Louisiana.

The Committee of 100 is a non-partisan organization (NGO) supported by leading business leaders in Louisiana dedicated to the state's long-term economic growth.

This is why over 100 of Louisiana's business and university leaders join the Committee of 100, to cause for innovation in public policy that fosters economic and business development.

Please visit C100LA.org to review our member list and the profiles of these dynamic companies in our state to know the fabric of Louisiana's business and industry. You will see the many facets of our state through our history, our culture, our cuisine and our people who are the driving force of our economy.
